SAFE ENVIRONMENT PROGRAM REQUIREMENTS

To be eligible for the Star Council Award in the United States and Canada, councils must be fully compliant with applicable safe environment requirements.

This means that the grand knight and program director must complete the Praesidium safe environment training.

Additionally, the council's Family and Community directors must complete both the safe environment training and a background check. If the council sponsors a Columbian Squires circle, the council Squires chairman and all circle counselors must complete the training and background checks.

There are no exceptions to this. If anyone has any questions regarding this please direct your questions to my self at dd39@ontariokofc.ca.

Fraternally yours

Jesmond Tabone DD 39
