Message from Our District Deputy

Brother Knights, Merry Christmas, and Happy New Year!

As we start a new year some of us may be thinking of resolutions. Those statements of what we are going to do to better ourselves this coming year. Most of the time they are focused on ourselves and do not have to do with our relations with others, such as eating better, doing more exercise, taking up reading or whatever we want to focus on. I would like to provide some ideas for each of the coming months so that we may look beyond ourselves as we resolve to make the world around us better by trying to be Christ to one another.

January: I resolve that as I march and pray for life, I will open myself to understand that being for life cannot end at the birth of a child.

February: I resolve that I will not judge another only by something I see like the color of their skin, but I will get to know them by the quality of their character.

March: I resolve that instead of giving up coffee, desserts, candy, or some other thing during Lent, I will instead try to eliminate harsh words, judgments and hate from myself.

April: I resolve that in celebrating the resurrection of Christ, I will use my words to bring life to others and not use them to destroy or even kill the spirit within others.

May: I resolve that I will respect what my mother taught me in how to share, be respectful to others and if I do not have a nice thing to say I will not say anything.

June: I resolve that as children are on vacation from school, I will try to be childlike for Jesus said they will enter the kingdom of God, and stop being childish in my actions and words.

July: I resolve that in celebrating the freedoms we enjoy in this country I will respect those freedoms even when someone believes differently than I do, as many lives were given to ensure everyone has the same freedoms.

August: I resolve that as I tire of the hot weather here, I will not complain as I can the weather anyway, and instead I will pray for all those that suffer through worse weather situations and natural disasters. 't change

September: I resolve that as school starts, I will seek to continue to learn and ask the Holy Spirit for wisdom.

October: I resolve that I will not say the rosary, but I will pray it and try to give my life entering into the mysteries of Jesus and trying to be more like Our Lord and Mary, our mother.

November: I resolve that I will pray for our deceased family, friends and those who gave the ultimate price to help secure our freedom and for the common good of all Canadians

December: I resolve that I will truly celebrate Advent with the wonder of a child and that I will celebrate not merely Christmas Day but the whole season of Christmas.

As we know this Christmas season will not be the same as they have been in the past, but we must remember that Christ is the reason for the season.

On behalf of the District Team, my wife and sons and myself we wish you all a safe and Happy Christmas and New Year.

God Bless

Jesmond P Tabone

District Deputy 39
