Message from Our District Deputy

Worthy Brothers,

We are now half way through the first quarter of the fraternal year, Seem like yesterday we were doing events and supporting our community. Interesting how things have changed in the last 18-19 months. So how do we get back to what we did in the past, simple answer we don't. Yeah not the answer you expected. We are going to have to change on how we do things and be more inclusive to those in our Parish, community and council. I'm strongly urging councils to come up with innovative ideas on how we can reach out to as many people we can. Meetings will most likely be a hybrid of in person and virtual presents of members. Working more closely with our Parish Priests and parish community. Let our district be the leader in out reach to everyone.

I would like to thank everyone who has been elected to office for the 2021-2022 fraternal year. This will be a year of challenges and change and I'm confident that the right people are in place to accept the challenges.

Lastly I would like to congratulate our Immediate Past State Deputy Bro David Peters for reaching over 114% of his membership goal for the 2020-2021 Fraternal year. This is the first time in the jurisdiction history that a State Deputy made the Pinnacle Circle and the first time in over 50 years that a State Deputy has earned the Circle of Honour in both years of his tenure. Congratulations Bro David.

Brothers stay safe and I look forward to seeing you all as soon as we can gather again.

Fraternally yours
