Grand Knights Report,

Brothers, This will be a short report. As you can see we have a lot of activities planned for the rest of the year. For us to be successful and to remain an active council we need your help. Please try to attend one or two events by the end of December. We have a busy schedule in 2015 as well. Due to the timing of this newsletter it will be short as we are in the midst of training our new editor for the Chatter. I thank you for your patience during this transition. In our events schedule you see with have a 1st, 2nd and 3rd degrees planned. If you know of a Worthy Catholic Gentleman please ask him to join and we will ensure he makes it to the degrees.

Lastly I would like to Welcome Fr. Dennis back. Please continue to pray for Fr. Dennis.

Vivat Jesus

Jesmond Tabone Grand Knight

DD Report:

Dear Brothers,
We are starting a new fraternal year and I hope that you and your families have had a safe and wonderful summer. While up in Toronto, the main topic was membership. You had a first degree in August and added one new member. Congratulations! Last year your council had many new programs and events. Let us continue this in the new year and if you did not attend any of these events you missed out.

The executives of your council are very active. They could use your assistance this year in making your council even better. Every council wants to be Star Council. It will happen with your help. You may think that you cannot help. You may be surprised, that by giving the council an hour or two of your time, what a difference this could make. So brothers talk to your Grand Knight, Deputy Grand Knight and ask them what you can do for the council?

Fraternally Yours,
Jules Santarosa

New Fraternal Counsellor,

It is my pleasure not only to serve as your Grand Knight, I will also be serving our council as our Fraternal Counsellor. I look forward to working with all our members in my new role.

Fraternally yours

Jesmond Tabone 519.992.2014

An invitation from Bishop Fabbro to all parishioners :

Almost daily news stories appear in the media related to end of life issues. These stories usually have to do with the conversation happening in the public square about a per-son’s choice when and how they will die. Our faith has much to contribute to this conversation. In order to assist people of faith entering into this conversation with their families and friends, I have invited Dr. Moira McQueen, executive director of the Canadian Catholic Bioethics Institute to pre-sent a workshop that will address issues such as the death and dying process, our choices and options, and the state of the conversation on euthanasia and assisted suicide.

A workshop will take place from 7 – 9 pm on November 5, 2014 at Holy Name of Jesus, Essex. There is no charge to attend.
